That night,
the two embraced
each other until
they almost melted.

They slept
deeply until woken
by the noise
outside.

Has trouble
you-boss
spread?

Why do
that kind
of abuse?

It is
always
like that

well

it's
nothing

After all,
you look
you like
"touch"?

do...

why?

It seems
like not only
you with the
group are
business, he
keeps his
private life to
himself?

Viscount's
a line with,
he trouble
alone

It's hard
to know
what he's
thinking

why?

Oh,
sorry,
you-boss,

please
don't fight
a lot with
Viscount?

If I
want really
brotherhood,

I won't
be a
panda.

I'd break

I was in

Maybe

But only
until I loved
you, did I
understand
